**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. It would be bad for me if there was a change to limit access for other companies. It would mean my losing an internet service I rely on.

I am a consumer who was previously connected with DSL.

I switched from my previous provider to get a faster service for less cost per month. The previous company raised prices.

Thank you for taking citizen comments.
